Class Name	Class Description
Barre	Barre is a workout that will make you feel confident and strong! It is designed to sculpt the muscles throughout the body while improving balance, stability, and flexibility.
Battle Rope Blast	Battle ropes tone the entire body with a focus on core strength and stamina. This class is for all levels, as any move can be made more/less challenging. The battle ropes will be sure to blast your upper body while increasing muscular endurance in your legs.
Boot Camp	An excellent way to improve mobility, strength and stamina. The class utilizes groups of strength exercises that are completed one exercise after another. Each exercise is performed for a specified number of repetitions or for a prescribed time period before moving on to the next exercise. The exercises within each circuit are separated by brief, timed rest intervals. The total number of circuits performed during a training session may vary.
Circuit Training	Exercise every muscle in the body to develop overall endurance, conditioning and stamina. For all fitness levels! Get your heart pumping using equipment and your own body weight to tone your core, sculpt your legs/arms and flatten your abs. This full body routine is set to high energy music.
Strength Circuits	Work specifically on building strength throughout the body. Each circuit will work either your upper body or lower body, or a combination of exercises. You will leave this class feeling powerful!
Cardio Dance Party	This dance class uses various styles of music to get the body moving. Dancing is an excellent way to burn hundreds of calories while also having fun. Get your heart rate up in this high intensity class!
Cycle45	This class stimulates two types of terrains: flats and hills. When riding the spinner bike, little or moderate resistance is used for flat terrain, while using increased resistance simulates hills. In each type of simulated terrain, there are two basic positions: sitting and standing. This class focuses on combining different intensity levels and various speeds to create a self-controlled 45-minute workout.
Cycle30	In a hurry? Come join this 30-minute version of cycling for a nonstop workout! Bring your towels and water, Cycle30 will have you working hard quickly.
Morning Ride	If you're a morning person, this cardio cycle class is a perfect way to start the day. Similar to Cycle45, this class is 45 minutes long with a combination of sprint intervals and hill circuits.
Tabata	Burn calories at 5 TIMES the rate of normal cardio exercises. Ultra-high-intensity exercises in a specific 20-seconds-on, 10-seconds-off interval of the same movement within a 4-minute period. Can double your metabolism for 30 minutes following your workout. Great for individuals of ALL fitness levels!
